**Houston Pilots** 

- Below normal temperatures in the wake of last weekend's low pressure system are anticipated through WED before temperatures begin to moderate into next weekend. Mostly dry conditions are anticipated this week with only minor chances on Friday.
  - Our latest favored week 2 guidance features the Houston area at below normal temps and below normal precipitation. Periodic shots of precipitation will be possible as these fronts pass the area.

Our latest weeks <sup>3</sup>/<sub>4</sub> outlooks feature the Houston area with above normal temperatures and slightly below normal precipitation. Periodic frontal passages will offer up some moisture with longer stretches of drier weather in between.
