## Hazardous Weather Alerts:

### Air Quality Alert

## IMPORTANT FORECAST NOTES (as of 7:00 AM ET, 6/28/23):

- ✓ Cannot rule out some patchy mist through about 9 AM this morning before things start to clear out. Dry conditions are expected for much of the day/ game time.
- ✓ Concerned that AQI levels will not change much from current levels and stay between 150 and 200.
- ✓ Clouds will break up some heading into the afternoon for some peaks of sunshine. However, wildfire smoke from Canada will likely keep a haze around for the entirety of the day.

### Dew Forecast

- ✓ Dew will be likely getting into Thursday AM with ~80% chances.
