

CLARITY WX

FOR AGRICULTURE

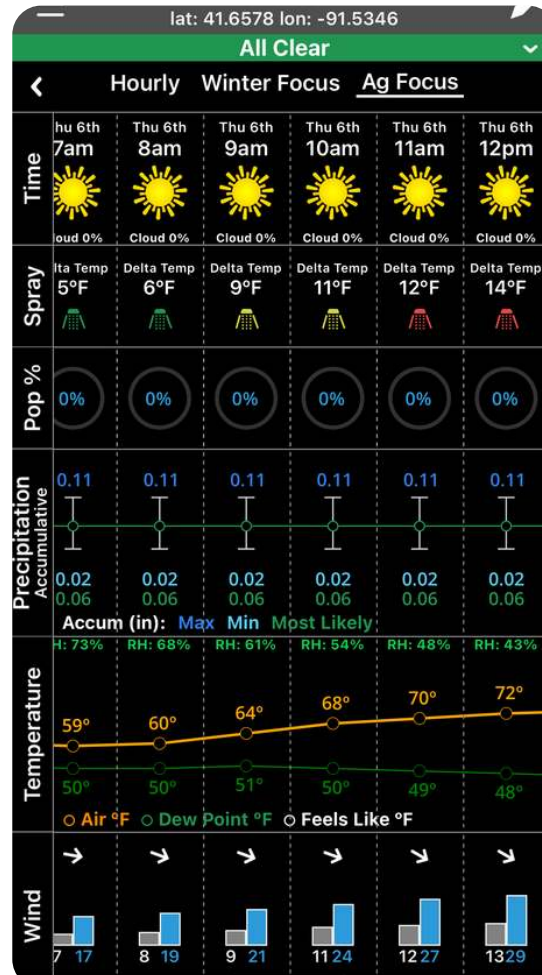

BY BAMWX

About Us

Finally! A weather forecast that closes the gap between automated weather data and human driven weather forecasts.

We are committed to giving you the best weather information that will help you make the best decisions.

The Benefits of Clarity

Eases your mind from planting to harvest.

Helps you confidently make decisions.

Saves you time and money.

Trusted by the Best

We consider the Bam Weather Team to be a partner in or business. We highly value the direct access to their meteorologists for hyper local forecasting. Additionally, we utilize their long range forecasting as an insight for marketing decisions and seasonal planning.

I review the Clarity app every morning before I start my day.
