

CLARITY WX

FOR TRANSPORTATION SOLUTIONS

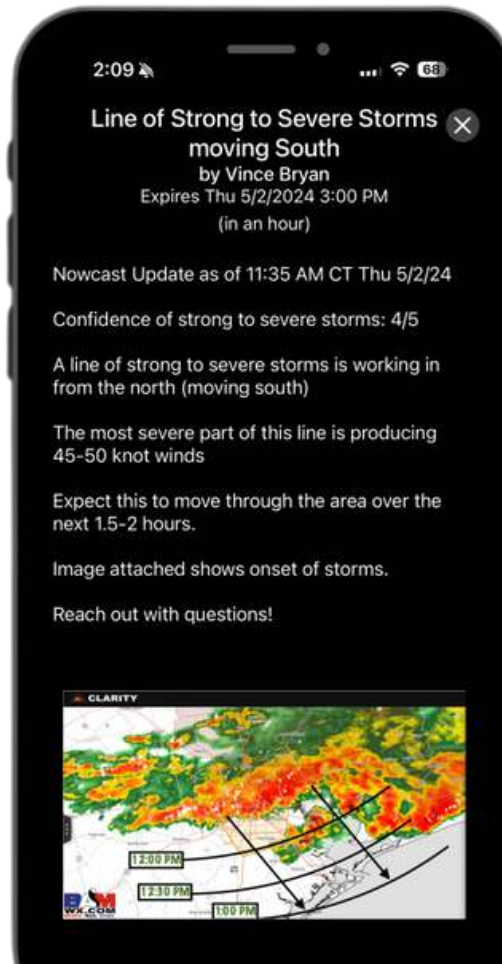

BY BAMWX

About Us

Finally! A weather forecast that closes the gap between automated weather data and human driven weather forecasts.

We are committed to giving you the best weather information that will help you make the best decisions.

The Benefits of Clarity

01  Ensures the safety of the general public.

02  Helps you confidently make decisions.

03  Prepares you days ahead of imminent weather.

Trusted by the Best

One phone call before a snow event saved us nearly enough money to pay for BAMWX's service for an entire year!

BAMWX's accuracy is unmatched compared to free weather apps we used to use.
