None Forecasted

## IMPORTANT FORECAST NOTES

- ✓ A very isolated shower / storm possible through 2PM (20%) but much better chance to stay dry overall.
- ✓ Between 2 and 7PM, storm coverage is expected to increase. High probability that a storm or two will pass over the ballpark but it will not storm the entire time (general coverage is near 60%). Storms can produce briefly heavy rain, lightning, and 50+ MPH wind gusts. These will be capable of producing a quick 0.25 – 0.5” of rain as they pass.
- ✓ Leaning dry the rest of the evening, but a few scattered showers possible overnight mainly after 1AM.

## Dew Forecast

Grounds will likely be damp from overnight showers/evening rain.
